Projects.

1) Pratik Headphones - UX Design Overview[\[LINK\]](#)

Developed clean and visually appealing interface for Pratik headphones website, emphasizing high-quality visuals and minimalistic design to showcase product features and unique selling points. Ensured intuitive navigation with clear sections for easy access to product categories, features, and customer testimonials. Clearly presented key features such as sound quality, comfort, battery life, and connectivity using icons and concise descriptions, ensured seamless user experience across devices by prioritizing mobile optimization. Focused on enhancing usability for smartphone.

2) Fit Pal App:- UX Design Overview[\[LINK\]](#)

- Sign-up/Login screen for user authentication and account creation.
- Dashboard/Home screen showcasing comprehensive fitness statistics, personalized goals, and activity summaries.
- Activity tracking screen enabling users to log workouts, steps, and other fitness activities seamlessly.
- Goal setting screen allowing users to establish and track fitness objectives tailored to their preferences and needs.
- Profile/account settings screen for users to manage personal information, preferences, and privacy settings effectively
